

Your benefits go with you

With the BlueCard® PPO and Blue Cross Global Core programs

If you're away from home and you need care right away, as an Anthem member, you have access to care across the country through the BlueCard® PPO Program. This includes 1.7 million doctors and hospitals — more than any other insurer.¹

How to access care across the U.S.:

Call 911 or go to the nearest hospital in an emergency.²

Log in to anthembluecross.com and use the Find a Doctor tool to search for a doctor or hospital in the BlueCard PPO Program.

Use the [SydneySM Health](#) app to search for a BlueCard PPO Program doctor or hospital. Get turn-by-turn directions to the nearest doctor, urgent care center, or emergency room.

Call Member Services at the number on your ID card.

When you're outside the U.S., the Blue Cross Global Core Program gives you access to preferred doctors and hospitals in nearly 190 countries and territories around the world.³

Need care outside the U.S.? You can:

Go straight to the nearest hospital in an emergency.

Go to bcbsglobalcore.com to search for a doctor or hospital.

Use the Blue Cross Global Core app to find a doctor or hospital.

Call the Blue Cross Global Core Service Center 24/7 at **800-810-2583 (BLUE)** or call collect at **804-673-1177**. They can help you set up a doctor visit or hospital stay.

Download the Blue Cross Global Core app today

With it, you can:

- Search for a doctor or hospital.⁴
- Submit claims.
- Get translations for many medical terms including symptoms and phrases — and even use an audio feature to play the translation.⁴
- Find a drug's generic name and local brand name, and check whether it's available.
- Learn how to find and contact a U.S. embassy.

Unless it's an emergency, call the Global Core Service Center before getting care outside the U.S. Global Core will work with the doctor and Anthem to approve and accept a Guarantee of Payment (GOP). If you get care from a doctor or hospital that has not accepted a GOP, you will need to:

1. Pay up front the full cost of your care.
2. Download an international claim form at bcbsglobalcore.com or request a form by calling Member Services at the number on your ID card.
3. Fill out the claim form and send it with the original bills to the Blue Cross Global Core Service Center. You can submit them through the mobile app, email, or postal mail.

Traveling? Here's what you need to know:

- Before leaving the country, ask Member Services if your international benefits are different.
- Ask for approval before getting care. This is "precertification" and helps you find care covered by your plan. To see if you need precertification, call Member Services at the number on your ID card.
- Save money by seeing a BlueCard program doctor or hospital. You only pay your usual out-of-pocket amounts (such as deductible, your percentage of costs, or copay). If you go to a doctor or hospital outside the program, you'll need to pay the entire bill up front.
- Show your Anthem ID card so the doctor or hospital can check your benefits and send us a claim for processing.

Remember to carry your ID card

The "PPO-in-a-suitcase" symbol shows you can get care from BlueCard PPO Program doctors and hospitals.
