Notice of Proposed Premium Rate Change

Member ID: <HCID>

Plan Name: <Product name>

Health Insurance Oversight System (HIOS) Identification Number: <2025 HIOS ID>

Dear <Subscriber first name>,

Anthem Blue Cross and Blue Shield HP is filing a request with the New York State Department of Financial Services (DFS) to approve a change to your premium rates for 2026. New York Insurance Law requires that we provide a notice to you when we submit requests for premium rate changes to DFS.

DFS is required by law to review our requested rate change. DFS may approve, modify or disapprove the requested rate change.

Proposed Premium Rate Change

Your current monthly premium is: \$<2025 medical rate>.

If approved, the percentage change to your premium is <2026 percentage change>%.

Please note that while we try to provide you with the most accurate information possible, the final approved rate may differ based on the benefit plan design and other features you select on renewal. Also, the final approved rate may differ because DFS may modify the proposed rate.

Why We Are Requesting a Rate Change

The requested changes in our health plans and rates reflect our evaluation of current market trends, including the rising cost of medical care, a changing pool of customers, and our experience with provider networks. Our 2026 rate filing reflects the financial impacts of RX drug costs and coverage changes to some deductibles and annual out-of-pocket maximum amounts. In addition, our rate filing reflects the impact to the health of the ACA risk pool as well as the financial and membership impacts due to the expiration of the American Rescue Plan Act.

30-day Comment Period

You can contact us or DFS to ask for more information or submit comments to DFS about the proposed rate change. The comment period is expected to begin 5 business days from the postmark date of this notice.

You can contact Anthem Blue Cross and Blue Shield HP for additional information.
